# SUBARU Loves Pets

Subaru of America is guided by the Subaru Love Promise, which is the company's vision to show love and respect to everyone, and to support its communities and customers nationwide.

Through the Subaru Love Promise and Subaru Loves Pets initiatives, Subaru Retailers have hosted adoption events across the country to help local shelter pets find loving homes. Retailers have also collected pet supplies to donate to local animal organizations and have provided shelter supply kits for animals awaiting adoption.

Subaru is committed to returning the love our pets give us. Keep your furry family members safe and comfortable with Genuine Subaru Pet-friendly Accessories.

## **Pet Ramp**

Avoid lifting your canine companion into your Subaru and allow him or her easy access to enter and exit the vehicle without the risk of injury from jumping in and out. Manufactured by 4pets®, the aluminum and plastic construction Pet Ramp supports pets up to 220 lbs. and is especially suited for senior dogs and for those with mobility issues. The ramp rests on the ground with rubberized feet to provide a firm grip and help avoid shifting. The non-slip ramp design and high-grip ridged surface provides safe footing in most weather conditions. Lightweight telescoping design makes the Pet Ramp easy to extend and to fold down to store in the cargo area when not in use.
